# OUR STORY

At BOE, our philosophy is simple: we believe in the transformative power of outdoor education to create lasting, positive change in students' lives.

Part of the Belgravia Group, a family-owned, multi-generational organisation, we deliver impactful programs to hundreds of schools and groups, and tens of thousands of participants each year right across Australia.

Drawing on the legacy of both The Outdoor Education Group and Belgravia Outdoor Education, BOE brings over 40 years of combined experience, making us one of Australia's most trusted outdoor education providers.

As leaders in our field, we partner closely with schools and groups to understand their unique goals and design tailored, curriculum-aligned programs. These experiences extend learning beyond the classroom into dynamic, real-world environments, building skills, knowledge, and memories that last a lifetime.

We believe every young person should be equipped with the skills to make a positive impact in society. Through adventure-based learning, students develop confidence, resilience, leadership, and meaningful social connections. Each program is carefully designed to challenge and support participants as they discover their strengths, build essential life skills, and grow in self-belief.

At BOE, we know the outdoors is more than a setting—it's a catalyst for growth. We are committed to empowering every student to explore their potential and thrive, both in school and in life.

# OUR PURPOSE

To inspire growth, resilience and leadership through safe, high-quality outdoor learning experiences.

## WHY PARTNER WITH US

### **DELIVER OUTCOMES WITH EASE**

Our trusted and end-to-end processes allow for a superior student experience, delivering the outcomes you want for your school and your students.

### **SCALE YOUR EXPERIENCE**

Our scale and footprint across the whole of Australia supports tens of thousands of students each year.

### **MANAGE RISK**

Our field team closely manages risk in the field, supported by our extensive 24 hr/ 7 days a week Field Duty Management system.

### **EMPOWER YOUNG PEOPLE TO THRIVE**

Immersion in the outdoors builds core skills for their future.

### **STRENGTHEN CURRICULUM IMPACT**

Our commitment to educational outcomes enhances your curriculum.

### **THE LARGEST PROVIDER OF OUTDOOR EDUCATION**

The gateway to Australia.

# A FLEXIBLE SEQUENCE OF PROGRAMS

## **CAMPS | 3-5 Days**

We guide students through adventure activities, thrilling challenges and exploration at our hardtop camps.

## **INTRODUCTION TO JOURNEYS | 3-5 Days**

These programs incorporate base-camp and journey components to enable students to extend themselves with full support.

## **JOURNEYS | 3-5 Days**

Journeys focus on experiential learning through adventure activities, camping and community living throughout Australia.

## **EXPEDITIONS | 10-30 Days**

Expeditions form the peak experience of a robust outdoor education sequence and are uniquely created in partnership with your school.

## **THE DUKE OF EDINBURGH'S INTERNATIONAL AWARD AUSTRALIA**

Working to the requirements of the Award and under the guidance of qualified instructors, we can assist with Bronze, Silver and Gold Practice Journey and/or Qualifying Journey.

## KEY LOCATIONS

### **WESTERN AUSTRALIA**

Hardtop Camps | Camp Margaret River | Yanchep National Park | Margaret River Region (Leeuwin Naturaliste / Cape to Cape Trek) | Wellington Dam | Ninghan Station | Bibbulmun Track | Local Parks & Nature Reserves | Blackwood River National Park

# EDUCATION FRAMEWORK

BOE's education framework is based on the core values of respect and responsibility. The framework is structured around three key pillars of learning; individual wellbeing, fostering connections with others, and developing a deep appreciation and care for the natural world. These elements, which form the cornerstone of our educational approach, are designed to cultivate well-rounded individuals who are mindful of their surroundings and interactions:

## EXAMPLE ACTIVITIES

Our outdoor activities support your curriculum and teaching framework to deliver social, physical and psychological outcomes:

# CHILD SAFETY

Child safety is BOE's top priority. We are committed to maintaining the highest standards of conduct and professionalism, ensuring that we have in place the relevant standards and policies relating to child safety, including a Code of Conduct. All of our team hold a current Working with Children Check relevant to the state in which they are working.

# RISK MANAGEMENT

As leaders in outdoor education, risk management is at the heart of everything that we do at BOE; before, during and after program. A continual focus on risk management procedures and research results in all programs having robust strategies and systems in place to ensure, as far as reasonably practicable, the safety of all; staff, participants, and others who are associated with our programs.

A dedicated Risk, Safety and Compliance team is responsible for researching best practices from around the world, tracking and reviewing incidents, informing training, updating policies and maintaining our Administrative Practices and Field Practices Manuals, that define our operating guidelines and standards. Our standards also align with Australian Adventure Activity Standards (AAAS).

We take a systems-based approach to managing risk and work to embed best practices at every step of program preparation, delivery, and review.

## FIELD DUTY MANAGER

Our dedicated 24/7 Field Duty Manager is always on call, providing real-time support to teams in the field. This ensures risks are managed proactively, decision making is backed by experience, and every program is supported with confidence and care.

The components of BOE's Risk Management:

Communication & Consultation

Risk Evaluation & Treatment

Establishing Context

Monitoring & Review

Risk Identification & Analysis

Training

# SUPPORT

## PROGRAM INCLUSIONS

BOE programs include a comprehensive range of services. This includes the BOE program team, provision of food for both staff and students, all camping and activity equipment for students\*, accommodation, coverage of camping, parks and landowner fees, and transportation costs for team, vehicles, trailers and fuel.

For Journey clients, dedicated support is provided in the form of a Client Relationship Manager and Program Coordinator, who conduct briefing sessions and support students, staff and parents throughout the program.

*\*except sleeping bags and personal gear*

## JOINT SUPERVISION PLANS

Our group leaders co-create a facilitation team with your staff, combining their own areas of skill and experience with your teachers and support staff to maximise the benefits for students. This co-creation results in a Joint Supervision Plan outlining how your staff and our group leaders will support each other and promote adequate rest and recovery for team members to ensure they can sustainably fulfil their roles in the field.

## SCHOOL PORTAL

BOE provides a central communication platform for your staff, students and parent body. This password-protected School Portal presents customised information regarding your school's outdoor education program, providing parents, guardians and students with up-to-date information and documents.

## BELGRAVIA FOUNDATION

Belgravia Foundation is a registered charity created to reduce barriers to participation in sport, aquatic, fitness, recreation and health programs, with a focus of its work in the catchment areas where the Belgravia Group operates in Australia.

## BELGRAVIA GROUP SCHOOL SOLUTIONS

When you partner with BOE, your school gains access to a range of exclusive, discounted products and services through the wider Belgravia Group, including:

- ★ School Holiday Sports Camps
- ★ School Sport Uniforms & Apparel
- ★ Dance, Cheer & Gymnastics Programs
- ★ Learn to Swim Programs
- ★ Gym & Stadium Equipment
- ★ Future Ready Programs: developing job skills and qualifications for senior school students
- ★ Venue Activations: providing opportunities for additional school income
- ★ School Ergonomics: student workstation assessments, desks and chairs
